CS 165 – Object Oriented Software Development

Macbeth – Lesson 12.1

Agenda

- Opening Prayer
- Scripture
- Operator Overloading
- Asteroid Q&A
- Looking Forward

Scripture

<u>Alma 34:38</u>

"[L]ive in thanksgiving daily, for the many mercies and blessing which he doth bestow upon you."

Looking Forward

- Tomorrow Evening
  - Milestone 11 (Ship moves correctly, bullets fired correctly, wrapping around screen edges)
  - Submit quiz from team (individual) activity from last week
- Read text from I-Learn and work on checkpoints.
