Inheritance – Team Activity

CS 165 – Object Oriented Software Development

Macbeth – Lesson 8.2

Agenda

- Opening Prayer
- Spiritual Thought
- Looking Forward
- Team Activity

Spiritual Thought

Sue Clark (BYUI Devotional - 2015)

"Make it your motto: Be where I am supposed to be when I am supposed to be there, and be prepared. If you follow this pattern in your life, it will help you lay the foundation for accepting the Savior's invitation to come unto Him and qualify for exaltation and eternal life with our Father in Heaven."

BYU
IDAHO

Looking Forward

- Work on checkpoints – We will review both checkpoints on Friday
- Complete team activity quiz
- IMPORTANT: Read the project description for Skeet. Be prepared to share your UML diagram with the class on Friday.
